

Cry Unto the Lord Prayer Covenant

The Great Outpouring of the Holy Spirit

For America/World

Abba Father, we come before you in the precious name of the Lord Jesus, understanding the hour in which we live. We see the Day of the LORD approaching, and we are crying out to you according to your Word.

We cry out in repentance for our sins and the sins of our nations. We cry out for an **outpouring** of the Holy Spirit. We realize that time is short before the Lord Jesus comes for his bride, but according to your Word, the **outpouring** of the Spirit will continue until he comes.

We are humble before you with the manifest sins of our nations, recognizing how this offends your holiness. By faith, we ask for one more **outpouring** of the Holy Spirit both to win untold numbers of souls to the Lord Jesus, and to hold back the terrible spirit of antichrist.

With this mighty outpouring, we ask for the healing of the brokenhearted, the opening of the prison to them that are bound, and the setting at liberty of them that are bruised.

Abba, free us completely from the spirit of bondage and fear, and fill us with power, love and a sound mind; free us completely of unbelief and have us grow mighty in faith to please you.

In the past, you sent many great outpourings of the Holy Spirit, and we are asking our Abba for one more before the Groom comes for his bride.

The church was birthed with the power of the Holy Spirit, and we want to go with you in that same power. The great outpouring first came to Jerusalem. We beseech you for another great outpouring of your Spirit upon your people Israel like, you first sent 2000 years ago.

Abba Father, we love you as little children and believe the Word with the same faith as children. We know when we ask our Abba that he hears us.

Father, as the end grows near, it now is like the "days of Noah." To protect us from the wicked one, and from the love of the world, we come under the power and authority of your Word and your name.

We are growing close to you for protection and asking that you heal all the broken hearts of your people, along with freeing us from bondage, so that the bride is ready for the Groom. Amen
